The awarding bodies have designated Wednesday 29th June 2022 as a 'contingency day' for examinations. This is consistent with the qualification regulators' documents Exam system contingency plan: England, Wales and Northern Ireland -

<https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of a 'contingency plan' within the common examination timetable is in the event of national or significant local disruption to examination in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations.

Centres must therefore remind candidates that they must remain available until Wednesday 29th June 2022 should an awarding body need to invoke its contingency plan.
